

**GLENDON BOROUGH
WINTER NEWS**

Hello everyone. I am Glendon Borough Council President, Donna Breidinger. On behalf of myself, my fellow council members, and Mayor Melody McAllister, it is my pleasure to introduce to you our new borough newsletter.

Please bear with me, as this is my first attempt at doing this. Comments are welcome and you may direct them to the borough Hall phone number 610.253.1577; email at glendonboro@rcn.com; or to my Borough email at glendonpresident@gmail.com

We look forward to hearing from you!

Whether you enjoy Winter or cannot wait until Spring, we all must deal with whatever this season might throw at us.

The Borough currently has two snowplow drivers who have been doing their best at keeping our streets properly salted and cleared of snow. Unfortunately, salt is in very short supply with a lot of winter weather still to come. We are using it as conservatively as possible while continuing to insure that slippery roadways are safe to travel.

To help in that effort of keeping everyone safe, we would ask you, please, to not shovel snow onto freshly plowed roads and streets. Thank You!

I would like to remind everyone of our Snow Emergency Routes. They include the entire lengths of the following streets:

MAIN STREET, HIGH STREET, CRESCENT STREET, HOLLY STREET, & BERGER ROAD

Any Snow Emergency will be listed on WFMZ's website.

Other important information and notifications can be found on the borough's website at glendonboro.com

SENDING EVERYONE WARM WINTER WISHES!

 **SPRING IS RIGHT AROUND THE CORNER!!**

If you are interested in receiving newsletters and other communications via email, please let us know by emailing us at glendonboro@rcn.com! Thank you!
